

HARRIS ROAD MIDDLE SCHOOL BANDS

Welcome Alto Saxophone players and congratulations on being selected to play the Alto Saxophone in the 2021-2022 beginning band at Harris Road Middle School. This letter outlines band fees, required, and recommended supplies. Required supplies are supplies that will be used every day in class and are essential for your success. Recommended supplies are those that will aid in your aural skills and musical development, but are not required in year one.

REQUIRED EQUIPMENT

- ☐ Alto Saxophone in good working condition.
- ☐ Black Binder- Provided by Band Program
- ☐ Pencil case (soft)- this will stay in your binder to hold supplies and it guarantees you have a pencil every day in class.
- ☐ Pencils and highlighters (no pens).
- ☐ **Reeds: 2 options!**
 - Vandoren size 2.5 Reeds (have a minimum of 3 on hand at all times). Once your first box of 2.5 reeds are gone, buy size 3. ****These are cane reeds and can easily break. Box of 10 is approximately \$27**
 - Legere Signature Series size 2.5—This is a synthetic reed. These are harder to break (but not impossible). When handled with care, one Legere reed can last your child an entire semester. 1 reed is approximately \$30
- ☐ Neck strap and Cleaning swab/cloth ****Must sanitize instrument daily.**
- ☐ **Ligature**- Rovner Versa
- ☐ Small pack of sanitizing wipes to be kept in pencil case.
- ☐ Essential Elements Book 1 for Alto Saxophone (Yellow Book)

RECOMMENDED EQUIPMENT

- ☐ Korg TM60BK Tuner and Metronome Combo with Clip on Microphone (Amazon)- Students will use a tuner and/or metronome every day in class and will need one for their homework assignments. There are free tuner/metronome apps for your phone and online, but these are not nearly as accurate as a real tuner. Tuner's are required by their 2nd year. Do we have to get a mic? Yes- every band class has at least 60 people in the class. Without the mic, your tuner cannot pick up your individual sound and therefore cannot accurately gauge your pitch. *****I would highly recommend getting a tuner this year in the event we revert to distance learning and students will not have access to the classroom tuners.***

BAND FEES

- ☐ \$10 CCS District Fee— All Cabarrus County students who participate in a performing arts class pay this fee. This fee pays for your student's music for the entire year. In a typical year, that would be 9-12 pieces of music. This fee can be paid online via the Online Payment Center located on the HRMS home page. If you choose to write a check, ***this fee cannot be combined with any other school fees;*** it must be a separate check made out to HRMS band. ***DUE By Date: September 6th.***
- ☐ Band Polo- ALL HRMS Band students will need to purchase our band polo. The band polo is embroidered with our band name/logo and is made from a dri-fit/moisture wicking material to keep our students not only looking sharp at competitions, but keeping them cool on stage as well. ****An order form will go home with your student in September.***

OBTAINING YOUR ALTO SAXOPHONE

- ☐ Renting—It is highly recommended that beginners rent their Alto Saxophones through **Music and Arts** Rent-to-Own program. This program is a beginning band parent's safety net. Caring for an instrument is a new and exciting adventure, but it is also a very delicate task. Beginners will drop and ding their instruments at some point along the way. Music and Art's Rent to Own program will repair your child's instrument for FREE with their LWD insurance. Additionally, some students will change their mind and want to switch instruments. With the rental program, parents do not lose any money. What you have paid towards your first instrument, will simply be credited towards your new rental. In the long run, it saves you a lot of money.
- ☐ HOW To Rent→ Simply go to Music and Arts located on Concord Mills Blvd, tell them you are a 6th grader from Harris Road Middle school and you are going to play the Alto Saxophone. They will pull up my recommendation sheet and get you squared away with the correct books and brand. OR you can simply go to <https://www.musicarts.com/rentals/> ****Choose In-store pick up. Please do not have the instrument shipped to the school because it could be weeks before you get it and we want all students to begin on time.**
- ☐ Buying→We do not recommend buying an Alto for a beginner. If you still feel this is the route you would like to take, please feel free to contact us for brand recommendations.
