

# HARRIS ROAD MIDDLE SCHOOL BANDS

Welcome Trumpet players and congratulations on being selected to play the Trumpet in the 2021-2022 beginning band at Harris Road Middle School. This letter outlines band fees and required and recommended supplies. Required supplies are supplies that will be used every day in class and are essential for your success. Recommended supplies are those that will aid in your aural skills and musical development, but are not required in year one.

## REQUIRED EQUIPMENT

- ☐ Trumpet- In good working condition.
- ☐ Black Binder- Provided by Band Program.
- ☐ Pencil case (soft)- this will stay in your binder to hold supplies and it guarantees you have a pencil every day in class.
- ☐ Pencils and highlighters (no pens).
- ☐ **Valve Oil and Slide Grease**
- ☐ **Mouthpiece:** Bach 5C or 3C, or Yamaha 5C or 3C (Please do not start a beginner on a 7C; they WILL struggle unnecessarily).
- ☐ Essential Elements Book 1 for Trumpet (Yellow Book)
- ☐ Small pack of disinfecting wipes to stay in student's pencil case to clean mouthpiece and stand as needed.

## RECOMMENDED EQUIPMENT

- ☐ Korg TM60BK Tuner and Metronome Combo with Clip on Microphone (Amazon)- Students will use a tuner and/or metronome every day in class and will need one for their homework assignments. There are free tuner/metronome apps for your phone and online, but these are not nearly as accurate as a real tuner. Tuner's are required by their 2<sup>nd</sup> year. **\*\*In the event we revert to distance learning, students will need access to a tuner and a metronome.**

## BAND FEES

- ☐ \$10 CCS District Fee– All Cabarrus County students who participate in a performing arts class pay this fee. This fee pays for your student's music for the entire year. In a typical year, that would be 9-12 pieces of music. This fee can be paid online via the Online Payment Center located on the HRMS home page. If you choose to write a check, **this fee cannot be combined with any other school fees;** it must be a separate check made out to HRMS band. **DUE By Date: September 6<sup>th</sup>.**
- ☐ Band Polo- ALL HRMS Band students will need to purchase our band polo. The band polo is embroidered with our band name/logo and is made from a dri-fit/moisture wicking material to keep our students not only looking sharp at competitions, but keeping them cool on stage as well. **\*An order form will go home with your student in September.**

## OBTAIN YOUR TRUMPET

- ☐ **Renting**—It is highly recommended that beginners rent their Trumpets through **Music and Arts** Rent-to-Own program. This program is a beginning band parent's safety net. Caring for an instrument is a new and exciting adventure, but it is also a very delicate task. Beginners will drop and ding their instruments at some point along the way. Music and Art's Rent to Own program will repair your child's instrument for FREE with their LWD insurance. Additionally, some students will change their mind and want to switch instruments. With the rental program, parents do not lose any money. What you have paid towards your first instrument, will simply be credited towards your new rental. In the long run, it saves you a lot of money.
  - ☐ **HOW To Rent**→ Simply go to Music and Arts located on Concord Mills Blvd, tell them you are a 6<sup>th</sup> grader from Harris Road Middle school and you are going to play the Trumpet. They will pull up my recommendation sheet and get you squared away with the correct books and brand. OR you can simply go to <https://www.musicarts.com/rentals/> **\*\*Choose In-store pick up. Please do not have the instrument shipped to the school because it could be weeks before you get it and we want all students to begin on time.**
  - ☐ **Buying**→If you choose to purchase a Trumpet and not rent, brand is EVERYTHING. I recommend Yamaha YTR-2330, Getzen 700s, Xeno, or Bach TR 300. Are there cheaper beginning options? Yes, but with instruments cheaper is rarely better. My advice is to only purchase an instrument at a music store and stick to known brands and colors (silver or lacquer only, not that blue Trumpet on eBay).
  - ☐ **Used Instruments**→ Please email us prior to purchasing a used instrument OR a brand that is not listed above and we will provide you with our professional advice.
- \*\*ALL music stores see an influx in renting and repairs during the months of July and August, and often times get backed up for a solid month! Prepare for this and get all repairs completed quickly so that your child has an instrument at the start of the school year.**
